Please consider this correspondence as the 30-day notice to the Public Service Commission for the Campbellsville Municipal Water & Sewer System to adjust our Wholesale Water Rate for service provided to our Wholesale Water Purchasers as referenced above. Each of these customers is a public utility under the jurisdiction of the Public Service Commission.

The proposed rate increase will be effective for water used on and after August 19, 2022.

Please find enclosed documents relative to the proposed increase. The documents include the following for each Wholesale Water Purchaser:

- A Certified Letter explaining the proposed increase;
- Customer Notice with language as required by PSC;
- Revised Tariff Sheet.

In addition, also enclosed for your records is a copy of the Rate Ordinance that was approved by the Campbellsville City Council on June 20, 2022.

Should you have any questions or need further information, please feel free to contact me.

Sincerely,

Mayor Diane Ford-Benningfield
