RE: Proposed Water Rate Increase

Dear Mr. Stone:

The Campbellsville Water & Sewer Committee met on May 1, 2024 and recommended to the Campbellsville City Council an increase in Columbia/Adair Utilities District's rate for water service from Campbellsville Water.

The Wholesale Water Rate for the Columbia/Adair Utilities District will increase from \$2.95 per 1000 gallons to \$3.48 per 1,000 gallons.

The Campbellsville City Council had the First Reading of the proposed rate increase on Monday, June 17, 2024, and the Second Reading is planned to be on Monday, July 15, 2024.

The proposed rate increase will be effective for water used on and after August 1, 2024.

Attached are the following documents, which contain the new rates, the proposed effective date, and other information, as required by the Public Service Commission.

- Customer Notice
- Revised Tariff Sheet
- Proposed Rate Ordinance being considered by the Campbellsville City Council

Sincerely,

Mayor Dennis Benningfield
