Re: Revisions to Bluegrass Water Utility Operating Company, LLC  
sewer tariff, per 8/2/21 final Order in Case No. 2020-00290

Dear Ms. Bridwell:

Bluegrass Water Utility Operating Company, LLC (“Bluegrass”), by counsel, herewith files revised sheets (nos. 1, 1.3, 1.4, 2-3.1, 4-10.3, 11–16) to its existing sewer-service tariff, PSC Ky. No. 1. This submission is made pursuant to ordering paragraphs 6 and 8 of the Commission’s 8/2/21 Order in Case No. 2020-00290, respectively approving the rates in Appendix B for service rendered on and after August 1, 2021, and directing that within 20 days from the date of the Order, Bluegrass “shall file ... new tariff sheets setting forth the rates, charges, and revisions approved herein.”

In its Application (Exhibit 1-B), Bluegrass proposed entirely replacing PSC Ky. No. 1 with PSC Ky No. 2, based on fully unified rates and including revisions and corrections to the existing tariff Rules and Regulations. The 8/2/21 Order and its Appendix B approved unified recurring rates for some (but not all) Bluegrass service areas, and semi-unified non-recurring rates for some (but not all) service areas. Given these changes, Bluegrass considers it advisable to make revisions to its existing tariff, PSC Ky. No. 1, including reorganization and wording revisions it did not anticipate in its proposed sewer-service tariff (Application Exh. 1-B).

Sincerely,

/s/ Katherine K. Yunker
