CASE CODE

278.023: Construct, Finance, Rates

UTILITIES:

South Anderson Water District

INDEX OF EVENTS:

02/26/13

POST CASE: South Anderson Water District as builds drawings

11/21/11

Order Entered:

(1) South Anderson is granted a Certificate of Public Convenience and Necessity.

(2) South Anderson's proposed plan of financing is accepted.

(3) South Anderson is authorized to issue \$1,000,000 of its Waterworks Revenue Bonds.

(4) The proceeds from the proposed bond issuance shall be used only for the purposes specified in South Anderson District's application.

(5) If surplus funds remain, South Anderson District may use such surplus to construct additional plant facilities if RD approves .

(6) South Anderson shall file a copy of the “as-built” drawings and a certified statement that the construction has been completed within 60 days of completion.

(7) South Anderson shall require construction to be inspected under the supervision of a professional engineer with a Kentucky registration.

(8) South Anderson shall monitor the expanded water distribution system after construction.

(9) South Anderson shall notify the Commission one week prior to the actual start of construction and at the 50-percent completion point.

(10) The rates in the Appendix are approved for service.

(11) Within 20 days, South Anderson District shall file with the Commission revised tariff sheets.

(12) Before providing wholesale water service to North Mercer, South Anderson District shall file a written contract or rate schedule.

(13) Any documents filed in the future shall reference this case number and be retained in the utility's general correspondence file.
