**INDEX OF EVENTS:**

02/29/12 Order Entered: (1) The Commission's Order entered on January 31, 2012 is amended as follows: a. At page 4, under the heading "Allocation of Roll-In," the third sentence is corrected by deleting the reference to "\$2,330,762 total roll-in" and substituting in its place "\$9,850,653 total roll-in;" b. At page 5, line one on that page is corrected by deleting the reference to "the roll-in of \$2,330,762," and substituting in its place "the roll-in of \$9,850,653;" and c. In ordering paragraph No. 3, the second sentence is corrected by adding the word "total," so the sentence reads "[t]he total roll-in shall be allocated to the customer classes as described in the Settlement Agreement approved in Case No. 2011-00162." (2) All other provisions of the Commission's January 31, 2012 Order shall remain in full force and effect. (3) KU's proposed revisions and modifications to its monthly ES Form 1.00, 1.10, and 3.00 as filed on February 23, 2012 are approved effective with the date of this Order.

02/03/12 LG&E's Motion to Correct Order

02/01/12 Order Entered:

1. LG&E's request to submit this case for a decision on the existing evidence of record is granted.
2. LG&E shall include a \$241,530 monthly increase in its jurisdictional environmental revenue requirement determined in the first month beginning in the second full billing month following the month in which the Commission issues its final Order.
3. LG&E shall roll into its existing base rates \$2,330,762 in environmental surcharge amounts. The roll-in shall be allocated as described in the Settlement Agreement in Case No. 2011-00162.
4. For 2005, 2006, and 2009 Compliance Plans, LG&E shall use an overall rate of return on capital of 7.58%, a tax gross-up factor of 0.56, and an overall grossed-up return of 10.82%.
5. For the 2011 Compliance Plan, KU shall calculate an overall rate of return on capital using a return-on-equity rate of 10.1 percent for projects included in the 2011 Compliance Plan in all monthly environmental surcharge filings.
6. LG&E shall make the proposed modifications to the calculation of the monthly environmental surcharge billing factor beginning with the second full billing month following the month in which the Commission issues its final Order.
7. Within 20 days, LG&E shall file: revised tariffs reflecting the changes to its base rates; the same type of supporting documentation it filed in Case No. 2007-00380; and a red-lined version of its tariff.
8. LG&E shall file revised environmental surcharge tariffs within 20 days.
