

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN INQUIRY INTO THE STATE )      CASE NO.  
UNIVERSAL SERVICE FUND    )      2016-00059

ORDER

On February 1, 2016, the Commission, on its own motion, initiated this administrative proceeding to investigate the current and future funding, distribution, and administration of the Kentucky Universal Service Fund (KUSF), which provides supplemental support for authorized telecommunications carriers that also participate in the federal Lifeline program. The Commission stated that the need for the investigation arose from the projected depletion of the KUSF by April 2016, at which time the fund would no longer be able to meet its monthly obligation, absent action to increase funding or reduce spending.

On February 15, 2019, the Commission set the surcharge rate for the KUSF at \$0.07 per line. Since this surcharge reduction, the balance of the KUSF has diminished to almost insufficient levels and warrants a temporary increase in the monthly surcharge to \$0.15 per access line. This increase is necessary due to the Commission's July 10, 2020 decision in this docket to temporarily increase the amount of KUSF support for eligible telecommunications carriers (ETC) that offer unlimited voice service. This increased support will continue through at least July 31, 2021, in order to provide additional service to Lifeline customers that, due to the COVID-19 pandemic, require unlimited voice minutes to, among other things, communicate with medical professionals.

The Commission is currently evaluating whether the enhanced support should continue beyond July 31, 2021.

The \$0.15 surcharge will remain in place for the pendency of this proceeding or until further order of the Commission. As in the past, for carriers maintaining tariffs with the Commission, this surcharge should be shown on the customer's bill as "Kentucky Lifeline Surcharge." Additionally, carriers that maintain tariffs with the Commission must submit to the Commission updated tariffs no later than February 28, 2021, to reflect the change in surcharge.

IT IS THEREFORE ORDERED that:

1. The surcharge for the Kentucky Lifeline Program shall, on an interim basis, be \$0.15 per access line per month beginning with bills rendered on and after the date of this Order or as soon as allowed by applicable contracts between customers and carriers.
2. By February 28, 2021, where applicable, carriers shall submit tariff revisions to reflect this change.
3. Nothing contained in this Order shall prohibit the Commission from issuing further Orders in this matter.

By the Commission
