**RE: Notification of Asset Transfer
Access Integrated Networks, Inc. and Trinsic Communications, Inc.**

Dear Sir/Madam:

An original and ten (10) copies of this Notification are submitted on behalf of Trinsic Communications, Inc. ("Trinsic") and Access Integrated Networks, Inc. ("Access") (collectively, "Parties") in connection with the transfer of a customer base from Trinsic to AIN. The Parties hereby notify the Commission of their entry into an agreement whereby AIN will acquire Trinsic's residential and small and medium-sized business customers in Kentucky so that Trinsic can exit that line of business. AIN and Trinsic are authorized local exchange and interexchange service providers in Kentucky.

Pursuant to the agreement, Trinsic will cease providing local and long distance service to residential and small-to-medium sized business customers in BellSouth territory in nine states, including Kentucky, and transfer these customers to AIN. Trinsic's decision is predicated on recent federal court decisions and resulting cost increases for unbundled network elements. As a result, Trinsic is exiting the residential and small-to-medium business market in Kentucky entirely. This change in Trinsic's business, the resulting transfer of customers, and this Notification in lieu of a formal request for authority are authorized by the Commission's orders in Case No. 359 (issued June 21, 1996) and Case No. 370 (issued January 8, 1998).

The proposed transfer will affect approximately 7000 customers in the Commonwealth of Kentucky, none of whom will experience any material change to the terms and conditions of their services as a result of this transfer. The transfer is scheduled to take place beginning April, 2006. Once the transaction is consummated, AIN will provide long distance and/or local services to these customers.

Customers affected by this change were notified by letters, mailed beginning March 6, 2006, that complied with FCC regulations pertaining to such notifications. Customers have been provided at least thirty days' notice of the pending change. The customer notification advised customers of the following: (1) the pending change of their service provider to AIN and the expected date of the change; (2) that there will be no charges associated with their change to AIN as their long distance and/or local provider; (3) that their current service will not be affected and will be provided at the same rates as those currently charged by Trinsic; (4) that they have the option to select a different service provider if they prefer; and (5) that any carrier freeze on their line(s) will have to be reimplemented following the transfer. The notification also includes customer service numbers for both Trinsic and AIN that customers may call for more information.

Please acknowledge receipt of this filing by date-stamping the extra copy of this cover letter and returning it to me in the self-addressed, stamped envelope provided for that purpose.

Any questions you may have regarding this filing may be directed to my attention at (407) 740-3004 or via e-mail at rnorton@tminc.com.

Sincerely,

A handwritten signature in black ink that reads "Robin Norton". The signature is written in a cursive style with a long horizontal stroke at the beginning.
