**Re: ALASKA NATIVE BROADBAND 1 LICENSE, LLC'S NOTICE OF
INTENT TO PROVIDE WIRELESS SERVICE IN KENTUCKY**

Dear Ms. O'Donnell:

We are counsel to Alaska Native Broadband 1 License, LLC ("ANB 1"), which was recently awarded FCC licenses to provide wireless service in the Lexington, Louisville and Cincinnati MSAs. The purpose of this letter is to file notice of ANB 1's intent to provide service in Kentucky, as required by the Commission's August 8, 2000 Order in Administrative Case 370. The information required by that order is as follows:

(1) Name and Address of the Utility.

Alaska Native Broadband 1 License, LLC
c/o ASRC Wireless Services, Inc.
3900 C Street, Suite 801
Anchorage, Alaska 99503

For regulatory reporting contacts, please see (3) and (4) below.

(2) Articles of Incorporation or Partnership agreement, if applicable.

Not applicable, as the entity is a limited liability company.

(3) Name, street address, telephone and fax number, if any.

See response to (1). In addition, pursuant to a Management Services Agreement between ANB 1 and Cricket Communications, Inc. ("Cricket"), Cricket is the agent of ANB 1 and is providing certain management services to facilitate ANB 1's operations. Cricket's authority to act as agent for ANB 1 is evidenced by a July 18, 2005 letter of agency, a copy of which is enclosed. Cricket, which is already registered to provide wireless services in Kentucky, will be providing billing services to ANB 1, and will be the point of contact for any customer complaints and regulatory issues related to the service provided by ANB 1. Consistent with the Management Services Agreement, ANB 1's service in Kentucky will be marketed, branded and billed as "Cricket" service. "Cricket" is a federally-registered trademark for wireless PSC services provided by Cricket Communications. The "Cricket" brand is already in use in nearly 40 markets in 20 states, including Kentucky.

For the purpose of annual regulatory assessments, and any other regulatory reporting requirements for ANB 1, the contact is ANB 1's agent:

If there are questions concerning this notice, please call me. Please acknowledge this registration by assigning a utility number to ANB 1 and providing that number for our records. Finally, please date-stamp the extra copy of this letter and return it in the enclosed, self-addressed stamped envelope.

Sincerely yours,

A handwritten signature in black ink, appearing to read 'DM' with a long horizontal stroke extending to the right.
